

PHOTOGRAPH CONTEST: “ENRICHING THE IMAGE III”

“Enriching the Image III” is the third edition of the contest which will choose the best photograph of animals interacting with environmental enrichment items.

The five best photos (pre-selected by the scientific committee of the III Brazilian Conference on Environmental Enrichment) will be judged by the participants during the event, and the winner will be awarded. People that are registered on the event will be able to participate with up to three photographs.

Photographs must be submitted by 27/09/12.

Participation criteria

- To participate, it's necessary to be registered in the event;
- Only digital photographs of up to 1,5Mb, without any kind of digital manipulation will be accepted;
- The digital photographs should be in high resolution (minimum accepted will be of 1200x900 DPI), and should be sent along with the registration form to the following e-mail address: cbearesumos@gmail.com;
- Out of focus, distorted, and edited photographs will not be accepted;
- Each participant is allowed to submit up to three photographs;
- Photographs that have already been published, exhibited in public, or received any awards won't be accepted;
- The responsibility for the use of any image owned by third parties, protected by copyright law, is wholly and exclusively of the participants;
- Only photographs of animals interacting with the enrichment will be accepted.

Judgment

The photographs will be judged in two steps:

Step 1: the five best photographs will be chosen by the event Scientific Committee.

Step 2: the participants of the event will vote for the best photograph among the five pre-selected photos. Each participant will be allowed to vote just once.

Rules for the photo exhibition

Besides sending the digital version of the photograph by e-mail, the participant is responsible for exposing the photograph (size must be respected - 25x30cm) in

the proper space, and should be affixed on September 29th 2012, in the morning.

General considerations

- The winner will be awarded during the closing ceremony.
- Only photographs sent by e-mail until September 27th, by 11:59pm will be considered.
- All participants, with winning photographs or not, agree to allow free use of the image during the III Brazilian Conference on Environmental Enrichment.
- Therefore, the participants declare to be responsible for the authorship of the submitted photographs, and that the photographs are not plagiarism.
- Participants grant permission to Shape-Brasil and The Shape of Enrichment free use of the submitted photos from Photograph Contest: "Enriching the image III".
- The participant who attempts to circumvent the provisions guiding this promotional action or who denies to grant the permission to disclose the name, image will be disqualified. The "Shape Brasil" has the right of not putting up or removing photos containing racist or sexual content, contents hurting ethics, or offensive to people, firms, religion and welfare.
- The material submitted for the contest will not be returned.
- The noncompliance of any rule of this regulation can cause the disqualification of the photograph and participant, according to the criteria of the organizers.
- By registering to the "Enriching the Image III" contest, participants agree implicitly with all rules contained in the present regulation.
