

Dates for your Diary

The 3rd UK & Ireland Regional Environmental Enrichment Conference 10th - 12th May 2010 Hosted by Marwell Wildlife

Call for papers

Marwell Wildlife would like to invite you to submit abstracts for oral or poster presentations for the above meeting.

Talks and posters are requested from any keepers and researchers regarding your collections environmental enrichment programmes, activities and theories.

Suggested topics at this time include:

- 1) General Bird enrichment category - what enrichments you are using, how you make it, evaluation of the enrichment, innovation and developments etc... species specific or general.
- 2) Role of enrichment in health programmes / animal management / Education.
- 3) Enrichment in mixed species exhibits.

These topics are not restrictive, abstracts will be taken on any topic.
Topics are subject to change.

This event will also include some practical workshops.

Abstracts should be submitted electronically to marcf@marwell.org.uk
Please email first to request an abstract form. Abstracts should be 500 words maximum if you intend to do a 15 minute presentation with 5 minutes of questions, or 1000 words long for a 45 minute presentation with 10 -15 minutes discussion. Posters should be A1 in size (54.9x84.1cm)

Deadline for abstracts - January 4th 2010.

Successful abstracts will be selected by February 15th 2010.

Registration opens - October 12th 2009.

Deadline for registration - March 31st 2010.

Registration details to follow.
